

PREMIER METAXAS, OF GREECE, DIES AFTER BRIEF ILLNESS

NEW CHIEF NAMED TO CARRY ON

Royal Proclamation Issued After Death of Dictator, Announces That Alexander Korizis, Governor of the National Bank of Country, is to Head Government Composed of All Present Ministers, With No Change in Policy

THROAT OPERATION IS GIVEN AS THE CAUSE

By MAX HARRELSON
Athens, Jan. 28.—(A.P.)—Gen. John Metaxas, premier and dictator of Greece for nearly five years, died today of a throat infection at the age of 70, bequeathing his hope of victory over Italy to a government swiftly reorganized and dedicated to that purpose.
The strong man, ill for only three weeks, regained consciousness just before he died. It was said, and known that the end was near, addressed these words to Minister of Home Security Constantine Maniandakis, at his bedside.
"So there is no hope whatever? You understand, Costa, it is not for myself that I mind, but I place my hope in the Greeks."
"Costa" was Metaxas' familiar form for Constantine.
Shortly after death—at 6:20 a. m. (11:20 p. m., Tuesday, EST.)—King George II called a meeting of the cabinet and announced his decision to name Alexander Korizis, 55-year-old governor of the National Bank, as Metaxas' successor.
In addition to being premier, Korizis will hold the same portfolios Metaxas held—foreign affairs, war, aviation, navy and education. All members of the Metaxas cabinet continued in their old positions.
Metaxas' illness first appeared Jan. 7 with attacks of dizziness. At first these were thought to be results of fatigue but medical examination indicated he had a kidney ailment. He returned to work, however, and apparently was in improving health when a tonsil infection developed. Still it was thought the condition was not serious and he continued to work.
However, on Jan. 19 Metaxas (Turn to Page Eleven)

"FREE FRENCH" DRIVE FORWARD

By the Associated Press
Cairo, Egypt, Jan. 29.—British motorized units were reported today to be operating so far south and west of Derna as to place all of Premier Mussolini's remaining troops in eastern Libya in jeopardy.
At the same time, "Free French" forces which were disclosed last night to have driven more than 200 miles into southwestern Libya from equatorial Africa presented the Italians with the necessity of guarding their rear against attack.
Military circles here were vague as to the "Free French" drive, but agreed its immediate effect was to turn the Libyan campaign into a two-front war.
This accomplishment was viewed as the first real fruits of the raising of the "Free French" flag over French equatorial Africa late last August—a move hailed at the time as of great strategic importance.
General Georges Catroux, immediate commander of the De Gaulle forces in equatorial Africa, disclosed last night that some of his men were operating on the Ethiopian front as well as in Libya, but gave no details.

International Situation

By The Associated Press
Mussolini's mouthpiece, Editor Virginio Gayda warns that United States' policy of aiding the British is a violation of neutrality and may involve this nation in war.
Greek policy: Premier General John Metaxas, the strong man of Greece, died; King George II organizes new government under Alexander Korizis to carry on war against Italy "until victory is achieved."
Britain's moves: Defense stepped up with government move toward drafting 18-19 and 37-40 to register for military service.
In Africa: British motorized units so deep within Libya that eastern part of Italy's colony is jeopardized. British general headquarters at Cairo reports as pressure against Derna, Italian base in eastern Libya, increases.
The air war: Five reported killed in daylight raids on London after quiet night over England and Germany.
On the Albania front: Mussolini's high command claims "important position" seized; Greeks report two Italian counter-attacks repulsed.

STRIKE HALTS WORK AT ARMY AIR CORPS FIELD

Expansion Project at Dayton, O., Involving Expenditure of \$1,550,000 at Standstill Because of Dispute Over Non-Union Labor

TESTS NEW POLICY

Washington, Jan. 29.—(A.P.)—The conciliation service today assigned Michael J. Crosetto, a federal mediator, to the AFL Building Trades strike at Wright Field, Dayton, Ohio.
Dayton, O., Jan. 29.—(A.P.)—A strike of AFL-affiliated Building Trades workers halted work today on a \$1,550,000 expansion program of the army air corps at Wright Field.
Col. Lester Miller, field commander, said an undetermined number of workmen reported at the field, stood idly by for an hour, then departed.
The colonel said he had arranged a conference here with the president of the Peneer Installation Co. of New York, reported by the Dayton Building Trades Council to have employed non-union labor at the field.
Col. Miller said the dispute involves "about 12 electrical workers."
Spokesmen for the company could not be reached for comment. The walkout would test a recently adopted policy of the American Federation of Labor Building Trades Department which Vice President George Masterson said "flatly bars strikes for any reason whatsoever on defense projects."
Masterson said his department had settled 17 disputes without interruption of work "in the past few months."

Other developments affecting labor and defense on a wide industrial checkerboard included:
Milwaukee—Another conference was called for today between officials of the Allis-Chalmers Manufacturing Company and the United Automobile Workers (CIO) in an attempt to negotiate a settlement of the strike which for a week has held up work on \$400,000 of defense orders. The walkout affects 7,000 production men.
New Orleans—Union men withdrew their objections to working with WPA employees on a \$260,000 National Guard observation squadron base.
Elizabeth, N. J.—1,400 CIO workers at the Phelps-Dodge Copper Corporation went back to work today under a truce arranged by the company and union officials. The company holds \$74,923 worth of new contracts.
Chicago—David T. Roadley, government conciliator, arranged a conference with officials of the International Harvester Company in an effort to avert a threatened strike.

BILLION IS ASKED FOR NEW FUND

"Independent Offices" Supply Bill Totaling \$1,404,576,838 and Including Emergency Appropriation of \$125,000,000 to be Spent at Direction of President is Recommended to House By Committee Today

DEFENSE ALLOCATIONS ARE NOT SPECIFIED

Washington, Jan. 29.—(A.P.)—An "independent offices" supply bill totaling \$1,404,576,838 and including a new emergency fund of \$125,000,000 to be spent at the direction of President Roosevelt was recommended to the house today by its appropriations committee.
At the same time, the committee recommended a special appropriation of \$175,000,000 for the war department to finance advance purchases of clothing and equipment for the army. A little more than an hour after receiving the recommendation, the house approved it.
This was done, the committee explained, to enable the department to plan its purchases beyond the end of the present fiscal year on June 30.
The measure provides money to operate such independent federal agencies as the maritime commission July 1. It made relatively few reductions in so-called non-defense expenditures, possibly because, as committee members expressly noted, most agencies reported defense significance in their activities.
The total of the bill was \$146,000,000 greater than was last year's appropriation for similar purposes and the committee said this was due chiefly to the inclusion of the president's emergency fund.
A similar fund was set up last session and Mr. Roosevelt has used it for numerous purposes including the start of construction on air-naval sites acquired from the British.
In approving his request for a new emergency fund of \$100,000,000 in cash and \$25,000,000 in contractual authority, the committee said that it had no desire to "hamper or obstruct" his use of the money, but "it feels very strongly that it should be reserved for use in connection with items which are unusually emergent in character, which are of prime importance to our national defense, and which require immediate action."

BRITAIN CALLS MORE MEN FOR ACTIVE SERVICE

London, Jan. 29.—(A.P.)—Under terms of a royal proclamation issued today, men between the ages of 18-19 and 37-40 years are to register for military service.
The first of the new classes affected, men born in 1921, will register Feb. 22.
Registration of the new classes is accompanied by an amendment of the schedule of reserved occupations which, besides raising the reservation ages in some cases, will make reservation depend to an increasing extent upon work being done.
Accompanying the proclamation was a notation from the ministry of labor saying "the new proclamation is necessary to provide a steady flow of men into the three fighting services."
"It must also be remembered," it said, "that men in the older age classes are now encouraged to apply for vacancies in certain of the civil defense services."
There was no indication of the number of men involved in the new call.
The last class ordered to register was of men of 36.
Bad weather grounded home forces of the RAF during the night, it was announced officially.

Good Way to Combine Business and Pleasure

Washington, Jan. 29.—(A.P.)—More than 700 federal employees visited Florida at government expense last winter, the general accounting office reported.
In testimony made public today, GAO officials told an appropriations sub-committee of the House that a report on "Florida travel" had been made to Representative Taber (R-N.Y.), ranking minority member of the appropriations committee.
Asked if the accounting office knew of any "abuses" in connection with the government's travel allowances, Audit Chief E. W. Bell replied: "At this time I cannot think of anything other than some of the cases in the report made on Florida travel. We made a report on employees traveling to Florida between November 15, 1939, and March 1, 1940. That covered all departments and establishments."

Secretary Morgenthau Tells House Ways and Means Committee Treasury Will Run Out of Borrowing Powers in Next Four Months

TO SELL SECURITIES

Washington, Jan. 29.—(A.P.)—Secretary Morgenthau said today the treasury would run out of borrowing powers in four months, and appealed for an increase in the federal debt limit from \$49,000,000,000 to \$55,000,000,000.
Testifying in support of a bill to make the increase, the treasury head told the house ways and means committee that his department had plans for the sale of "securities attractive to all classes of investors x x x to satisfy the overwhelming desire on the part of nearly every man, woman, and child to make some direct and tangible contribution to the national defense."
Although not describing these securities in detail, he said the bill would permit the treasury to issue small denomination savings bonds and savings certificates as well as the regular types of securities. Treasury officials previously had indicated consideration of \$5 bonds and 25 cent savings stamps.

ARMY TRANSPORT STILL FAST ON COAST ROCKS

Ketchikan, Alaska, Jan. 29.—(A.P.)—Undaunted by a tempest and towering waves, 13 men remained today aboard the U. S. army transport Kivichak, wrecked on rocks off the British Columbia coast, awaiting the arrival of tugs dispatched to salvage what they might of the army supplies aboard.
The transport, bound from Seattle for Alaska, ran aground in heavy seas late Monday night.
At least one seaman—none reported said four—drowned as life boats were launched which carried passengers and others of the crew to safety ashore.
The U. S. S. gunboat Charleston, flagship of the navy's Alaskan contingent, went to the scene of the wreck, and was due in Ketchikan today with the 23 passengers and 24 crewmen rescued from the Kivichak.

WILLKIE SEES DEMONSTRATION

London, Jan. 29.—(A.P.)—Wendell Willkie witnessed today a demonstration of 60 banner-waving women protesting government food policies in a hotel where he was scheduled to lunch.
"Down with oatmeal eye-wash... get rid of Lord Woolton... some of the banners, Lord Woolton is minister of food. The demonstration was timed obviously to coincide with the American visitor's arrival.
Willkie stepped on a landing above the milling women, removed his hat and watched. Hotel employees removed the demonstrators after a few minor scuffles.

FINANCES OF STATE DISCUSSED

Rep. Leo. A. Achterman, Majority Floor Leader of House, Declares Belief Commonwealth Will Be \$75,000,000 "in Hole" By End of Biennium June 1, as Lawmakers Await Budget Message From James Next Week

BOTH HOUSES ARE IN RECESS UNTIL MONDAY

Harrisburg, Jan. 29.—(A.P.)—Rep. Leo A. Achterman, majority floor leader of the House, said today he believes the commonwealth would be \$75,000,000 "in the hole" by the end of this biennium, June 1.
Democratic legislators are now drawing appropriation bills to make up this deficit, Achterman disclosed.
Dr. Edward B. Logan, budget secretary, has said the Republican James administration, "inherited" \$71,500,000 deficit from the previous Democratic regime of George H. Egan.
That's how much behind a balanced budget the state was when Governor James took office Jan. 17, 1939, Dr. Logan declared, adding that the commonwealth has at least "held its own" since.
Elsewhere in the capitol there were these developments:
1.—The executive committee of the Republican state committee went into conference with State Chairman James F. Torrance, possibly to decide whether a meeting of the full committee could be called.
2.—Influenced by bureau of motor vehicles, with 120 of 800 employees ill, but the bureau said most of 1941 automobile drivers' licenses would be in the mails by the Friday midnight deadline.
The topic of finances will be a lively one after next Monday night when Governor James submits his budget for the 1941-42 biennium. It is expected to run somewhere between \$537,000,000 and \$545,000,000, a slight increase over the current budget.
Meanwhile the House and Senate have no major bills affecting finances before them.
A host of other measures, including a measure to outlaw the Communist party and a resolution to inquire into the conduct of an assemblyman, came in this week.
The legislature accepted 150 proposals Monday and Tuesday, reported only one out of committee to continue the joint state government commission—and adjourned until next week.
The Senate resumes Monday at (Turn to Page Five)

JERSEY SCHOOL IS DAMAGED BY GAS EXPLOSION

West New York, N. J., Jan. 29.—(A.P.)—An explosion of illuminating gas rocked Memorial High School today as a janitor entered the gas-filled domestic science room and found the body of William H. Lounsbury, 48-year-old supervisor of manual training in the West New York schools.
The janitor was not injured.
Lounsbury had been held last night in \$5,000 bail after police Lieutenant Joseph Marsino disclosed his arrest on a morals charge involving a girl student.
The explosion, at 5:45 a. m., blew out all windows in the structure and smashed doors. Classes were cancelled for the day.
Radio Operator Joseph Bayone said the police report showed damage would run into "thousands of dollars."
Officials said that 100 gas jets in 25 classes had been turned on. Lounsbury's body was found slumped on the floor in the middle of the room. Police said he had died before the explosion.
A small blaze was quickly extinguished by firemen.
Lounsbury, a resident of Fairview and an instructor in the school system for 20 years, issued an "unqualified denial" of the mor-

PROMINENT OFFICIAL OF THE REICH DIES

Berlin, Jan. 29.—(A.P.)—Reich Minister of Justice Franz Guertner, 59, died last night after a short illness, an official announcement disclosed today.
Guertner, who died in his Berlin home, had been minister of justice since 1932. In 1934, Guertner inaugurated the people's court to deal with cases of high treason and espionage. One of his most far-reaching decrees required German Jews to raise and pay a billion-mark fine in reprisal for the assassination of Ernst vom Rath, a member of the German embassy staff in Paris, by a Jew in November, 1938.
Guertner's death was said to have been caused by influenza and a weak heart.

SUBSTITUTE PLAN FOR WPA SEWING

Harrisburg, Jan. 29.—(A.P.)—The WPA in Pennsylvania offered the James administration today a compromise proposal in the dispute over sponsoring funds which has threatened to halt the women's sewing project, employing 12,000 persons.
Col. Philip Mathews said in a letter to a legislative committee investigating the dispute he was willing to enter an agreement with the commonwealth and suggested a new project proposal be submitted to Washington authorities by Feb. 7.
The WPA is demanding \$100,000 as the state's share of (Turn to Page Five)

Washington Report States Hitler Will Have 36,000 Warplanes Ready For Next Blitz

Two of Nation's Foremost Military Authorities Voice Confidence Great Britain Will Survive to Final Victory

SURPRISES EXPECTED

Washington, Jan. 29.—(A.P.)—Hitler's grand-slam bid to invade England can be expected in April or May, well-informed sources here now believe, and there will be 36,000 warplanes ready to hammer home the landing Nazi onslaught. They gave the Luftwaffe a 4-to-1 advantage over the R. A. F. for the attempt. They looked for a variety of German surprises, among them a secretly developed new pursuit ship and perhaps large scale use of torpedo planes against surface vessels. And they did not rule out poison gas.
Two of this nation's foremost military authorities, however, voiced their confidence yesterday that Great Britain would survive to win a final victory.
General George O. Marshall, army chief of staff, said he believed that, given the American help contemplated under the lend-lease program, Britain would be victorious. He saw all signs indicating a supreme invasion at (Turn to Page Five)

Six Grade School Pupils Near Death Trying To Play Practical Joke by Taking Tablets

Minneapolis, Jan. 29.—(A.P.)—Six grade school boys decided to play a joke on a substitute teacher by taking sleeping tablets so they would fall asleep in class, but the prank threw a big scare into the entire school the pupils they took turned out to be a deadly poison.
Hasty inquiry disclosed that Carl Vaughn, also 11, had brought a bottle of "sleeping tablets" to school and had induced five other 11-year-olds to swallow one each. The tablets were an emergency heart stimulant containing poison (strychnine sulphate).
Teachers and the school nurse, Miss Ruth Buggy, acted quickly. Parents were summoned. Private physicians treated three; the others went to General Hospital for emergencies. Then all were sent home.
Hospital physicians said one of the tablets could have induced convulsions in a child and that an overdose might have proved fatal.

Secretary of War, Appearing Before Senate Foreign Relations Committee, Renews His Advocacy of Legislation to Meet "The Extraordinary Emergency Which the Aggressor Nations Have Created For This Country"

DESCRIBES MEASURE "PURCHASE OF TIME"

Washington, Jan. 29.—(A.P.)—Three amendments to the administration's British-aid bill, including a mid-1942 time limit on its grant of presidential powers, were reported to have been voted today by the house foreign affairs committee.
Meeting behind closed doors while Secretary of War Stimson testified before the Senate foreign relations committee, the House foreign group was reported to have accepted modifications to:
Fix June 30, 1942 as the expiration date of the lend-lease powers proposed in the legislation.
Require President Roosevelt to consult his army and navy chiefs before transferring military equipment, and
Require periodic reports to congress on lease lend operations.
Chairman Bloom (D-N.Y.) and other committee members declined, however, to make any formal announcement of the committee's action in the four-hour session. All three of the reported changes had been accepted by the Democratic majority yesterday.
A fourth change proposed by the Democrats—a prohibition against the use of naval vessels for convoys—was reported to be still under discussion.
The United States is forced to buy the time, he declared, "and we are buying from the only nation which can sell us that time."
Appearing before the Senate foreign relations committee, the war department chief renewed his advocacy of the legislation to meet (Turn to Page Eleven)

ANOTHER CRASH AT LILY POND; ONE IN HOSPITAL

One more accident was credited to the Lily Pond crossing, on Route Six west of Warren, last evening at 7:40 o'clock when a coal truck overturned on a car proceeding in the opposite direction.

John Osgood, 52, of Tionesta, a passenger in the truck, is a patient in the Warren General Hospital, suffering with a severe laceration of the right knee. His condition is reported as being good today.

According to Private J. R. Thompson, of the State Motor Police, who investigated, the accident occurred when a coal truck, driven by Wayne A. Showers, of Shippensburg, failed to negotiate the curve after crossing the tracks and overturned on the north side of the road on a car driven by Miss Claire Potter, of Youngsville, going west.

Four tons of coal were scattered over the highway and both vehicles were badly damaged. Miss Potter escaped without injury and Showers received a bruise on the face.

Private Thompson stated that an information on a reckless driving charge would be filed against the driver of the truck.

EXPECT GROUND SCHOOL TO BE STARTED SOON

Indications are that within a very few days, the Warren Airport will be awarded another ground school, it was stated today by V. S. King, manager. This will be a Civilian Pilot Training program allotted by the government and will be along the same lines as the last school conducted at the local field, he said.

The last ten students who completed this training have received their private pilot's licenses and are now on their own, Manager King stated. This same opportunity of learning to fly absolutely free of expense is open to all men and women between the ages of 18 and 26.

The requirements are that they must pass a physical examination. Anyone wearing glasses will not be accepted. The physical examination fee is \$6.00, but that money is refunded to the student if he is awarded the flight scholarship. A thorough study of navigation, meteorology, civil air regulations, aircraft structure, engines, instruments and navigation is given in the ground school. Then ten flight students are chosen from the ten highest in scholastic standing in the ground school examinations which are conducted by the government.

Any man or woman interested in this course should contact the airport immediately if they have not already signed up. The final word to get under way is expected within the next week and those who have already signed up will be notified.

CIVIC CLUB TO HOLD BANQUET MONDAY EVENING

The annual banquet of the North Warren Civic Club will be held next Monday evening, February 3, at 6:30 o'clock in the North Warren Community House. It was announced today by Donald K. Burghardt, club president.

Guest speaker for the occasion will be Lt.-Col. Louis J. Lempike, commanding officer of the 395th Infantry, with headquarters at Johnston. His talk is expected to be especially interesting because of the unsettled conditions all over the world and with the United States defense program well under way.

Pittsburgh Artists to Give Floor Show at President's Birthday Ball

Final arrangements were perfected this morning to provide a real treat in the way of entertainment for those attending the "Birthday Ball" at the North Warren Community House on Thursday night.

The hours for this party, arranged to benefit the Warren County Chapter of the National Foundation for Infantile Paralysis, will be from nine until one and, sometime in mid-evening, the committee will have the pleasure of presenting special entertainers of the KDKA Artist Service Bureau in Pittsburgh.

In Warren tomorrow evening for a dinner-meeting at the Coneywago Club, the artists have been engaged to appear at the North Warren party. The Kinder Sisters, well known NBC vocal trio, and Don Dixon, singing pianist, have been heard here on previous occasions. Others in the group are Calhoun, the master magician; Billy Hinds, star of "Kay-Dee-Kapers" and leader of the Hotel Schenley Orchestra; and Jack Taylor, comedian and impersonator.

This array of talent alone is worth the small admission of \$1 per couple asked for this infantile paralysis benefit, and it is anticipated that attendance will be greatly increased through this added attraction.

Patrons are reminded that tickets may be had at the B and B Smoke Shop, Geracimos', Blue and White Restaurant, Count's Restaurant, Finley's and the Texas Lunch, as well as at the door tomorrow night.

Purchase of a \$1 ticket entitles the purchaser to membership in the Warren County Chapter of the national foundation, with no further dues, and those who desire listing in this membership are asked to write on the back of tickets the name and address of holder.

For the convenience of those who have other earlier engagements or wish to attend the benefit basketball games at Sheffield, dress may be either formal or informal, the committee announces today.

Besides the above program of entertainment and the music of "Doc" Jordan's Orchestra, dancers will have an opportunity of winning the beautifully decorated, three-tiered birthday cake which is being donated by the Warren Baking Company.

Red Cross Workers To Bring Garments

A call is given to all local workers of the American Red Cross, both sewers and knitters, to please bring their finished garments to headquarters in the Metzger-Wright store by Monday, February 3.

The local chapter of the Red Cross has been requested by national headquarters to make final shipment of its first quota of war relief garments by the end of January, but the local group has extended that time to February 3 to give workers the coming weekend in which to complete their garments.

Demands for overseas assistance have become greater and to provide needs has been added a call to aid to Greece. Chapters all over the country have been requested to do their utmost in lending aid to the war-torn countries abroad.

SCOUT TROOPS MAKE PLANS TO PRESENT SHOW

Boy Scout troops in Warren, Russell and North Warren are making big plans for their show at the Warren High School on February 14. The show is being held in celebration of Scouting's thirty-first anniversary.

With each troop putting on an act or part of one, nearly every phase of the Scout program will be covered and those attending will learn what Scouts do, how they learn, how they are prepared to serve.

The show will open with a color ceremony of massed American and troop flags on the stage which will be followed by a color movie, "The Trail to Citizenship" which gives a bird's-eye view of the program from the time a boy is 9 years of age until he attains citizenship. Following the movie the stage show begins with Troop 11 showing in pantomime the birth of American Scouting. Enacting acts include artificial respiration, first aid, axmanship, wood cutting, fire making with flint and steel, fire-friction, signaling methods, a whole troop signaling to music, camping and the grand finale.

The general committee in charge consists of O. C. Tritt, chairman; H. P. Bearer, R. L. Endress, B. K. Garvin, C. W. Rogers, J. E. Springer, and Ira Brown.

Amusements

"NORTH WEST MOUNTED POLICE" AT THE LIBRARY

Two great love stories, and a thousand thrills—a thousand at the very least!—mark the new Cecil B. DeMille epic film, "North West Mounted Police," which Paramount will present on Friday, Saturday, Sunday, Monday and Tuesday at the Library Theatre, with Gary Cooper and Madeleine Carroll starred, and Paulette Goddard, Preston Foster, Robert Preston, Akim Tamiroff, Lynne Overman, George Bancroft, Lon Chaney, Jr., and Walter Hampden rounding out a list of the starring players.

Filed on an epic scale from any standpoint one might consider, "North West Mounted Police" looks as DeMille's greatest picture, possessing a huge starring cast, romance, action, thrill after thrill, everything moviegoers might want, including Technicolor to lend reality to the vivid scenic backgrounds.

How To Relieve Bronchitis

Cremululon relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremululon with the understanding you must like the way it quickly allays the cough, or you are to have your money back.

CREMULULON

So MUCH for so LITTLE

Consider what you get for the money you pay for a prescription. You get the time, experience and skill of the pharmacist. You get pure, fresh ingredients, many of which are gathered from remote places of the world. You get relief from the illness from which you suffer. Consider all these things and you will agree that in nothing else do you get so much for so little.

CHURCHES HERE TO PARTICIPATE IN WAR APPEAL

The three Methodist churches of Warren will participate in the Methodist Emergency Million crusade in a nation-wide attempt to raise one million dollars to meet three war-caused appeals. The offering plates of the 43,194 Methodist congregations in the United States will be simultaneously passed on what has been named "Methodism's Day of Compassion," Sunday, March 2.

The Rev. Thomas E. Colley explains the three types of appeal that are consolidated in this Good Samaritan movement:

(1) \$250,000 is to be allotted to the religious and social well-being of young men in army camps and navy yards. Methodist chaplains within these camps will be aided with literature and equipment as needed from the fund. Churches nearby will be helped to meet their enlarged responsibilities in ministering attractively to unusual numbers of youth during the critical hours of "leave." In some cases this fund will provide general Methodist share in creating interdenominational social and religious centers to sustain and build character.

(2) \$250,000 will be devoted to assist the mother church in England in temporarily raising both the national and local needs of the 150 bombed churches. Also, in the South and East of England there are parishes so dangerously located that almost the entire congregation have evacuated, leaving quite unprovided for the pastors who are staying to minister to those who remain. Other urgent needs grow out of the necessity of rescuing certain British Methodist missionary personnel and projects which are in jeopardy.

(3) \$500,000 will continue and supplement the Methodist overseas relief now in progress: feeding, clothing and sheltering non-combatant war victims.

Since war conditions make added demands on all regular missionary and philanthropic funds both the national and local leaders of this campaign emphasize that this is an emergency offering and must not be allowed to block the flow of giving to the regular world service activities of the church or the result will be the creation of new and equally serious problems.

The national movement is being led by Bishop Edwin H. Hughes, retired, of Washington, D. C., who is supported by the Methodist Emergency Commission, composed of all the bishops and a representative number of prominent Methodist laymen and ministers from all the six jurisdictions of the church. Dr. Orien W. Pifer is executive secretary and Dr. Elmer T. Clark, formerly of Nashville, Tenn., is handling the promotion.

FORMER PRIEST HERE DIES IN ERIE HOSPITAL

The Rev. John Ring, 59, well known priest in the Erie diocese for the past 30 years and former assistant pastor of St. Joseph's church here, died at 8:40 o'clock Monday night in St. Vincent's Hospital in Erie following an extended illness.

Father Ring, pastor of St. Theresa's church, Union City, had been in ill health for about a year. However, only last Friday he became more seriously ill and was taken to the Erie Hospital.

Born in Ireland, Father Ring came to this country in 1903. He was graduated from St. Bonaventure's College, Allegany, N. Y., and the seminary of that institution. He was ordained at Buffalo, N. Y., June 10, 1911, by Bishop Callon. He came to Warren as assistant pastor of St. Joseph's church from the Cathedral in Erie in early 1912.

In March, 1913, he was transferred to St. Catherine's church, DuBois, where he remained about six years. Later he went to Sacred Heart church, Sharon; St. Callistus church, Kane; St. Nicholas church, Crates, and finally to St. Theresa's church, Union City, where he has been for the past nine years.

Solemn high requiem mass will be celebrated at 10 a. m. Thursday in St. Theresa's church, Union City, and burial will be there.

DENTAL HYGIENIST

Miss Clara Hultman, of this city, has been appointed to the position of dental hygienist at the Station Hospital at the Fort Hayes army post, Columbus, Ohio, it was learned today. She leaves today to assume her duties February 1st.

AT WHITE HOUSE

The floor show at the White House Inn this week features Hobbs and Clark, comedians, with Professor Isner and his vibraphone as a special added attraction. A new feature at the White House Inn is the serving of "chicken in the rough."

K. OF C. MEETING

The Warren Council, Knights of Columbus, will meet tomorrow evening at seven o'clock. In addition to the routine business, the presentation of the official charter to Don Bosco Circle, No. 364, Columbian Squires, will take place. The meeting is open to parents of the Squires and invited guests.

JAMES TO TALK

Governor Arthur H. James will address the Lincoln Day banquet to be held at Connetquot Lake Park on February 12, it has been announced by Ray F. Smock, Crawford county Republican chairman. Republicans from Venango, Erie, Warren, Mercer and Crawford counties will attend.

GRANGE ASSISTS

The local Bundles for Britain headquarters received yesterday six large bundles of clothing from the Warren Grange. Members of the Grange who are aiding in this work are asked to leave the bundles at Davis Bakery, next to Angove's Market, where they are collected by George H. Schweitzer and taken to the chapter headquarters.

COMMISSIONER HONORED

Northwestern Pennsylvania sportsmen last night tendered a testimonial banquet to Clifford J. Welsh, of Erie, recently named state fish commissioner. Judge O. Clare Kent, of Meadville, was toastmaster. Todd Camp, prominent Greenville sportsman was a speaker, and Robert Lamberton, of Franklin, a member of the state game commission, an honored guest. The affair was held at Meadville.

LOAN AUTHORIZED

According to an Associated Press dispatch from Washington today, the Reconstruction Finance Corporation has authorized \$1,587,500 in loans to Pennsylvania concerns for defense purposes. Included in the list reported to congress by Administrator Jesse H. Jones, is the Aero Supply Manufacturing Company, Inc., Corry, \$600,000 to build plant and buy machinery and equipment for manufacture of aircraft parts.

Draft Author's Son Joins Army

Reverdy Wadsworth, above, whose father, Representative James W. Wadsworth (Dem., N. Y.), was co-author of the selective service act, was inducted into the army at Geneseo, N. Y., to spend a year in training at Ft. Devens, Mass. Although married and the father of one child, he continued a family tradition that a Wadsworth has answered every major U. S. call to arms.

NOTED SPEAKER GIVES ADDRESS AT SHEFFIELD

Sheffield Jan. 28. Nearly 300 persons heard Dr. No Yong Park, noted Manchurian scholar, author and lecturer, discuss "Human Values in a Changing World Order" in the high school auditorium here last night under the auspices of the Rotary Club's Institute of Understanding.

The speaker outlined and described war, its causes and origin and then dealt at length on peace, describing what it is, why the world lacks it and how humanity can achieve and maintain it.

He said the present war began with Japan's invasion of Manchuria in 1931 and spread throughout the world because the peoples and nations made no attempt to prevent or check it.

The speaker was introduced by Dr. J. A. Allen, past president of the Rotary Club. Music by the high school orchestra, singing of "America" by the audience and the invocation by the Rev. C. E. Lundgren preceded the introduction of the speaker.

McKenney On Bridge

LEARN TO PASS. McPHERRAN WARNS CONVENTION USERS

This is the third of a series of six articles on the McPherrian No Trump.

By WM. E. MCKENNEY America's Card Authority

Upon analyzing the two types of hands on which the McPherrian No Trump bid is made, you will find that the original bidder has a good deal of leeway. He may, at times, bid no trump when holding only a five-card suit, in which case, however, he must not hold a four-card major suit, and the five-card suit, generally, always is a minor suit.

The danger in using this convention is with the responding hand. In this position you must bear in mind that your partner holds one of the two types of hands on which the bid is made, and that either of them may be minimum in high card tricks.

Therefore, use great care in responding. Above all, don't be afraid to pass.

If you elect to bid two of a suit, you are asking your partner to pass unless he holds the freak Type No. 2 hand with a suit strong enough to stand alone, and by re-bidding it he will not raise the

two hearts, informing North that while he held a freak no trump, his suit was good and in his opinion worth rebidding.

Remember that McPherrian says, "The most difficult thing about this system is to learn to pass."

COUGHS DUE TO COLDS

Piso's PLUS-ACTION* Explodes Theory That Cough Medicine Only Soothes Your Throat!

The very first spoonful of Piso's brings soothing comfort to your irritated throat membranes. But you also get an important plus-action in this modern formula Piso's.

*Piso's actually stimulates your system to produce more protective secretions in your throat and upper bronchial passages. These normal fluids thin and liquefy thick, clogging phlegm... it's more easily flushed away... your cough is "loosened!"

Depend on Piso's (Pie-so's)... not for its local "throat soothing" action alone... but for its more important inside-working systemic effect. Piso's is good for adults and children. At all druggists in 35c-60c bottles.

Members of American Legion Auxiliary To Carry on Campaign to Obtain Year's Quota

Members of the American Legion Auxiliary held a very busy session last evening at the Legion Home, beginning with a tureen dinner. After a brief executive committee meeting, the regular business session was conducted.

Mrs. C. D. Cannon, membership chairman, reported that the unit is still 30 members short of its quota of 198 for this season and that a meeting will be held on Thursday, February 7, at 8 o'clock, to meet that number prior to the next meeting in two weeks. A prize will be given the worker bringing in the highest total, Mrs. Cannon announced.

It was decided to sponsor another afternoon card party for the public, the proceeds to be turned over to the Junior Auxiliary, and the date was set for Friday, February 7, Mrs. Ralph Brasington will head the committee on arrangements. Members were also reminded that the junior group will have a Valentine party on Thursday, February 13.

There was some discussion concerning the party to be held jointly with post members on Friday night of this week, when the committee will arrange for dancing and refreshments.

Reservations were asked from those who plan to attend the Inter-County Council meeting at Bradford on February 8, when luncheon will be served at 12:30 o'clock in the Moose Hall. The reservations are to be made no later than next Wednesday, February 5, by calling 2288-J or 2777-J.

Mrs. Larry Krespan, auxiliary president, will head the committee to add the post in planning its February 21 party, when Department Commander Charles S. Cook, of Philadelphia, and State President, Mrs. Arthur Beaver, of Dravosburg, will be honored at the Y. W. C. A. activities building. Assisting the president in this preparation will be the following: Mrs. C. D. Cannon, Mrs. Nick Wendelboe, Mrs. Claire Froud, Mrs. Gust Gerachos, Mrs. C. B. Gracner and Mrs. Freeman Johnson.

It was stated that auxiliary representatives will meet this evening at the Legion Home to confer with the house committee of the post regarding purchases for the home. On this committee are Mrs. Krespan, Mrs. Freeman Johnson, Mrs. Effie Spindel, Mrs. Harry Johnson and Mrs. C. D. Cannon.

Members were reminded of the Red Cross sewing at the home on Thursday, from ten until four, and all were asked to help.

On the social committee for last night's meeting were Mrs. Freeman Johnson, chairman; Mrs. Fred Hofer, Mrs. Harry Danas and Mrs. Walter Johnson.

BARR AND MILLER MARRIAGE IS TOLD

Mr. and Mrs. George Miller, Hunkle street, have announced the marriage of their daughter, Ruth, to Jack Barr, son of Mr. and Mrs. Arthur Barr, 201 Terrace street.

The ceremony was performed at 6:30 o'clock Saturday evening, January 25, in the rectory of the Holy Redeemer church, with Father M. E. Dailey officiating. Attendants were the bride's sister, Miss Betty Miller, and Harry O'Donnell, both of Warren.

Directly after the ceremony, a wedding supper was served at the home of Mrs. C. L. Gordon, aunt of the bridegroom. Later, a reception was held at the couple's newly-furnished apartment at 505 East street, where they are now at home to their friends. Both young people are well-known employees of the Walker Creamery Products Company's retail stores.

Cornplanter Wins Pistol Shoot On Municipal Range

Led by Paul Yagge and Johnny Schuler, with 288 and 286, the Cornplanter pistol team topped the match in the Warren Revolver League last night by outscoring the State Motor Police, 1299 to 1227.

Private Thompson tied Yagge for high score with 258.

Laisen and Woodhuff were the only two to tie for the proficiency team and turned in 233 and 246 respectively.

Other scores on the teams were as follows: Cornplanter: Linder 268, Myers 276 and Weir 281; Motor Police: Fobes 216, Ruffa 215, Gehr 219, Johns 229.

Depredations of the mosquito cost more than \$125,000,000 last year, principally by spreading malaria and yellow fever.

PNEUMONIA

PNEUMONIA is a germ disease that develops quickly. Pneumonia does not always follow influenza or a cold, but lowered resistance may give pneumonia a better opportunity to lay hold. Pneumonia is an infection resulting from the pneumonia germ, in the lobes of the lungs.

Because, almost entirely, this pneumonia germ is combatted by a substance manufactured in the body to resist this poison, maintain bodily resistance during winter months. If below par physically, consult your physician, for underlying organic causes. Healthy, full-blooded, nourished bodies rarely contract pneumonia, so the chief method of prevention is to keep up the blood count and bodily resistance, get plenty of rest, stay away from those who have "flu," colds or pneumonia and avoid allowing the body to become chilled.

The Treachery of PNEUMONIA calls for constant supervision of a competent physician, and experienced nursing.

DORCAS CLASS HOSTESS AT PARTY

Members of the Dorcas Class of the First Lutheran church entertained their husbands at a delightful dinner at the church Monday evening. The dinner was prepared by Mrs. Mary Rapp, Mrs. Edith Ahlquist, Mrs. Parepa Wholeben, Mrs. Belle Chalmers and Mrs. Esther O'Dell, with Mrs. Erma Eckardt in charge of decorations.

Ray Bamber showed moving pictures of various places of interest in the United States and Canada, and a series of progressive games rounded out the entertaining program. Prizes were won by Mr. and Mrs. Sheridan Brown, Mrs. M. Brown, Mr. Brooks, Miss F. Cuniff, Mrs. Ireta King, Mr. O'Dell, Miss Blanche Hertz and Mrs. Ethel Callard.

ROBERTS-FREY MARRIAGE ANNOUNCED

A very pretty wedding took place January 18 in the First Methodist church of Jamestown, N. Y., when Mildred Frey, of Kane, and Vernon Roberts, of Russell, were united in marriage by Rev. E. Roy Myers.

The bride wore a street-length frock of Alice blue with black accessories. Attendants were Gordon Wilcox, of Pittsfield, and Beatrice Gern, of Clarendon.

The couple are now at home to their friends at 133 Chandler street, Jamestown.

WARNING to Mothers of Growing Children

WHEN COLDS STRIKE... Relieve Misery the Improved, Home-Tested Vicks VapoRub... Perfected for Children

No matter what you have tried in the past to relieve misery of colds—treat your child the improved Vicks way—with a "VapoRub Massage". Then notice how swiftly it starts to quiet coughing, ease muscular soreness or tightness and bring comfort.

With this MORE THOROUGH treatment (developed by Vicks staff of Doctors) the poultice-and-vapor action of Vicks VapoRub more effectively... PENETRATES irritated air passages with soothing medicinal vapors, inhaled deeply with every breath. STIMULATES chest and back like a warming poultice or plaster.

To get a "VapoRub Massage" with all its benefits, here's what you do: Massage VapoRub for 3 minutes on the IMPORTANT RUB-AREA OF BACK as well as chest and throat—spread a thick layer of VapoRub on chest and cover with a warm cloth. BE SURE to use genuine Vicks VapoRub.

When you see the results of this improved Vicks treatment, you will wonder how any sensible, thrifty mother could possibly deny her child the comfort and relief it brings from misery of colds.

Included 370 men and women who either were killed in Rumania forest on the edge of the city, or died in hospitals.

It said there were 144 wounded who were carried to Bucharest hospitals.

The known dead in the provinces, as listed in the official announcement were 14 army men. Thirty-two civilians were listed as injured.

Among the dead was a prosecuting magistrate reported killed in the line of duty and a reserve army lieutenant said to have been serving in Iron Guard ranks.

Among the first prisoners sentenced by court martial for participating in the revolt were 17 students at the army school for aviation officers. They were given terms ranging up to 10 years' hard labor, or solitary confinement.

No death sentence has been announced publicly.

One newspaper said inquiries continue "with feverish activity."

States Hitler Will Have 36,000 Warplanes

(From Page One)

Much closer to the actual theatre of conflict, Admiral William D. Leahy, former chief of naval operations and now ambassador to France, declared at Vichy that in his opinion "the British government can and will prosecute the present war to a successful conclusion."

The comment of these two happened to coincide with the preview invasion picture presented by other sources.

These sources said that Germany could put 18,000 fighters and bombers in the air and have another 18,000 in reserve with 100 per cent pilot replacements.

They based their expectation of a new model pursuit ship on the "suspicious circumstance" that the latest type now being used by the Luftwaffe dates back to 1937.

Finances of States Discussed

(From Page One)

4 p. m., the House at 9 p. m. The James budget probably will be submitted at a joint session. The time has not been fixed. The governor said he would accompany it with a personal message.

The Senate committee action releasing the government commission bill aroused a cross current of opinion. Sponsored by a Democrat, Senator John H. Dent, the bill would set up 12 senators and 12 assemblies as the members of the commission—a research body for the legislature. Now it has 10 representatives and seven senators. Dent said his plan would "take the commission out of politics."

Rep. Achteman asserted the bill though sponsored by a colleague, would be "killed" in the House because it "popularized" Democratic control of the commission, now assured under the old plan of appointment.

The commission whose members terms expire Feb. 1, submitted its findings of a two-year study into relief to the legislature yesterday. It recommended more local responsibility for administering relief and paying for it.

The House also received a resolution for an inquiry to determine if there are "grievances" to expel Rep. Don Wilkinson (R-Luzerne).

sponsoring funds for the sewing project. Mothers said the law requires it. Governor James said that \$250 per woman now being provided is sufficient, adding that the state is putting up with the cost of all WPA projects.

Mothers said he is willing to allow a reduction in the sponsor share proportionately whenever the state's monthly cumulative contribution exceeded 25 per cent. This would be applied against the \$10 per woman share in the sewing project. Whenever the state's monthly sponsoring money was less than 25 per cent, a proportionate increase to the \$10 figure would be added onto the next month's requirements.

Dragons Win Eleventh Tilt Of Season By Skinning Wolves

"Jap" Scores Nearly Half Of Locals Points; Owls Wallop Tubers

WOLF SECONDS GET ONE FIELD GOAL IN PRELIM

After giving the Dragons all that they sent and more besides for most of two periods, the Wolves had then hidden tucked on the barn door at the local capotes 35-27, last night at the local capotes. The game was pretty even until shortly before the first half whistle when the Wolves made a lead which they never again were in danger of losing.

The victory was Warren's eleventh out of twelve starts and their fifth out of six league encounters. The Dragons have not lost since the Northern Section and the Dragons have not lost since the Northern Section.

Johnsburger led by Frank Gignotti with 25 points had to come from behind to stop the Roadway Elks on the latter's home court 35-27, and St. Mary's gave St. Mary's a good battle at Sheffield before losing out by a 31-27 count.

Once more, it was sharp-shooting "Jap" Conroy who bore the brunt of the Dragons' attack, racking up 15 points or nearly half of the team's total. "Red" Tucker accounted for nine Johnny Pick a half dozen and Hansen added the only other field goal.

Coach Kelpen used ten men in the game shifting the combination frequently after the Dragons were safely out in front.

Kane's Hanson broke the ice with a side court shot and Conroy countered with one from the center of the floor. Spunk dropped in a long one for the Wolves, which was half nullified by Hoffecker's foul shot. After Pick had missed another free toss, Mayo counted a one-pointer and Kane was out in front by two. Spunk put the Wolves in the lead by five with a foul and a basket which followed an intercepted Dragon "pass".

Conroy then tossed in another long-distance heave, and Tucker sent the Dragons to the fore with a pair of hookers from beneath the hoop. Conroy counted twice from the foul line and Hanson dropped in a free one to leave the Wolves in a quarter score.

Warren in Kane 9. The Wolves acted as though they meant business at the very start of the second canto as Andrews hit the hoop twice and Spunk scored once in quick succession to put the visitors in the van by four points.

On a nice out-of-bounds play, Conroy cut in for a lift-up and Tucker laid the leather in the ring with the tying score. Pick put the Dragons ahead by two, but Andrews again knotted the count for Kane with a fast breaking play which ended in a basket. Conroy notched one from side court and Pitt counted over with a foul but the locals were out in front for keeps. Tucker scored a foul and a basket and Conroy lifted one in to run the score to 24-18 at half time.

Mayo scored his only basket and added a foul for Kane's scoring in the third, but Tucker and Conroy each scored one and a foul to make the scoreboard read Warren 30, Kane 21 at the end of the third.

Most of the second stringers saw action in the final period, but still the Dragons outscored the Wolves. Andrews, Kane's high scorer for the evening, racked up two; Gillis son of Frank (Gill), former Kane ace, added another and Hanson came through with a foul and a free throw and Sharo of fouls. Well, they kept rolling last night, but Bradford, crippled by the flu, continued on his merry way and just about settled the first half. The Owls wind up Friday with St. Mary's and the Kelpmen close the initial semester against the Wolves. It's a little early to get our initial semester against the Wolves. It's a little early to get our initial semester against the Wolves. It's a little early to get our initial semester against the Wolves.

The Dragon Seconds weren't very gracious hosts in the preliminary to the varsity game as they drubbed the Wolf Vanangans, 35 to 25, and never permitted the visitors a field goal until the fourth quarter when Donovan scored the only two-pointer. Kane got one point in the first period one in the second none in the third and went mad in the final one to score three. Every one of the reserves took part in the local scoring. Don Sharp, Lungquist and Black led.

The blanket of snow which covers the greens and fairways at the Conewango Valley Country Club has failed to chill the ardor of the champions of the various committees, who are meeting regularly and drawing plans which they hope will make this season one of the best in the club's history. If the course isn't in great condition, it certainly won't be because the best available talent isn't assigned to the greens. Forester Waite, hard-working chairman of the committee every year but advised by Horace A. Cary, chairman of the committee, veteran golfer and premier expert of the ancient and honorable theory that the county farm agent and expert on, among other things, the proper care of turf, the addition of the popular farm agent to the committee will make available not only his personal knowledge, but the extensive library of greens-keeping information maintained by Pennsylvania State College.

One of the biggest jobs rests upon the broad shoulders of "Bob" Kopf, chairman of the men's golf committee. The ex-Princeton lineam, who is recuperating from an operation to remove some Yale bulldog teeth from his knee, has the responsibility of reviving interest in regular competition between the members. As we view it from this corner, as we have doubtless said before, golf interest will revive in direct proportion to the progress of a handicapping system. The majority of those participating in any competitive sport finds the principal thrill in one's own improvement, and the only sure indication of an individual's advance in golf is the reduction of the handicap. Yet the very linksmen who mutter in their beads, "I wish we had some tournaments around here," are ones who, so they tell us, don't care to go to the trouble of turning in scores. We'd like to see interest revived to the trouble of turning in scores. We'd like to see interest revived to the trouble of turning in scores. We'd like to see interest revived to the trouble of turning in scores.

January 29, 1921—Lloyd Woodard scored 21 points to lead Warren High to a 65-13 victory over Clear here last night. Despite the one-sided score, a large crowd seemed to enjoy the massacre. In the preliminary the Warren Seconds, led by Richard Schumacher and Willard Trushell, walked all over Sheffield High.

MAGIC SPRING

Chapter 25
Stick 'Em Up!

"It looks threatening, David," Polly said. "Have you noticed?"

"Yes, but those clouds don't mean anything. They'll probably blow over."

"All right," Polly said. "Have a good time. Take a swim for me. I'll look for you around eight."

"Polly."

"Yes, David?"

"I love you."

"That's nice."

"Love me?"

"What do you think?"

"Are you getting coy or something—at this late day?"

"No, but the telephone is no place for confessions."

"I wanted to get up to see you last night," David said. "But I had to work too late. You know that Margo is going away tonight, or do you?"

"Yes, I know," said Polly. "She came in for a sport hat, one she saw in the window and thought looked like the Rue de la Paix."

"This ought to prove to you that—er—things are just the same, so far as you and I are concerned."

"Ought it?"

"Of course." Someone came in to the office then, and David said: "I've got to hang off now, Polly. I'll be by at eight sharp."

At a little before eight o'clock his work for the day was done. The payroll was finished, the envelopes arranged alphabetically, and the bookkeeper all ready to go to the bank for the money.

"I'll have the two girls help me put the pay in the envelopes," he told David. "You can beat it now. And thanks a lot for helping me."

David lost no time. He hurried out and jumped into his car which he had parked near the office. He drove directly to the office which Warren General Hospital last Saturday.

Ready, he called out as he walked in.

"No," said Warren. "That Mrs. Blue's about to have her eighth offspring. I've got to get out to her right away."

"Then you can't come out with Peter and me—sorry luck," said Warren. "I'll try to drive out later. If I can make it, you two go ahead."

"Gosh, I'm sorry," said David. "So am I," said Warren. "But such is the life of a doctor. Babies must be born, you know."

"When is your next shift?"

"From noon to six," said Warren. "I'll be back at eight sharp. I'll be back at eight sharp. I'll be back at eight sharp."

"No," said Warren. "I only hope she doesn't decide to make it quick."

"Don't say that," David begged. "I don't want to see you in a hurry, and then have to wait."

"Doctor Warren couldn't go with us," David said. "He may be out later. Jump in, and let's hurry. There may be a storm after all. Those clouds look most threatening."

"You told me to remind you to get some gas," said Peter. "I forgot to do it before."

"I've got to go now," said David. "Oh, well, I'll risk it. I'm not going to stop for gas now."

"Could you stop drive home?" Peter asked presently. "I'll be home before the gas pump runs out."

"Now, then," said David. "I'll be home before the gas pump runs out."

"What's later, Cousin David?"

Hold-Up

BEFORE David could answer, a car passed them from the rear, going at high speed.

"Gosh," said Peter. "Did you see that?"

"I certainly did," said David. "It must be an important car."

"Just wait," said Peter. "I'll be back at eight sharp. I'll be back at eight sharp. I'll be back at eight sharp."

"If they're caught, yes," said David. "I wasn't any element, though. Peter went out of town, and I'll be home before the gas pump runs out."

"They'll come to get me," said Peter. "I'll be home before the gas pump runs out."

Fans who do attend will see in person a nationally known athlete, Lee Gamble, utility outfielder for several years with the World Champion Cincinnati Reds whose home is in Piquette, and who plays center on the Piquette team. The game will be played at the Sheffield Penn. Bottle quint in tonight's main contest.

The preliminary, scheduled to start at 7:30, will be played by Sheffield O'Connors and the best team they have met this season, the Arnold Morticians, of Titusville.

Attend and watch so that others, less fortunate, may get well and walk.

FORMER WARREN GIRL IS GUEST ON RADIO SHOW

It was pleasing news to many friends in Warren and vicinity to learn that Mena Madden, daughter of Mrs. Frances L. Madden, and former local resident, is to sing on a coast-to-coast hookup on Friday evening.

Now a resident of Little Rock, Ark., the singer left January 24 for Hollywood, Calif., and at 7:30 o'clock Friday night her friends will hear her as guest artist on the Al Peace program.

Of interest is the following from the January 18 issue of the Arkansas Gazette, captioned "Coast-to-Coast Guest" and written by Charles R. Lynn:

Mena Madden, whose pleasing contralto voice is broadcast every night over Radio Station KLR, will sing January 31 over a coast-to-coast Columbia Broadcasting System hookup, as guest artist on the Al Peace Camel show. The invitation arrived after the directors of the show heard a recorded audition, sent west upon their request. Mena will leave Little Rock Friday, and return in about two weeks.

Mena Madden, a native of Warren, Pa., began her singing career as a high school student there, appearing professionally the first time during her senior year. She turned down professional contracts until after graduation, and a few months later, in response to telegrams from her father, she joined a band at Jamestown, N. Y. She toured the East and Midwest with such orchestras as Hunk O'Hare's, Ben Pollack's and Slaty Randall's.

Three months after joining the latter band she was married to its first saxophone player, Harris Owen of Little Rock. The orchestra completed its scheduled engagements Mr. and Mrs. Owen returned to Little Rock.

It was here five years ago that their daughter, Sondra, was born. Right away Mena became very much occupied at home, but she was able to slip away a few times during the summer of 1935 to sing at Blue Steel's Dancing Casino. A year and a half ago, Harris, who was a member of the KLR staff band, when the station was having trouble pleasing an advertiser with available vocalists, someone suggested Mena Madden. Rushing down to the studio, Mena received the sponsor's immediate O. K. She has been on the KLR staff since that afternoon.

Five hundred types of fish were collected in the Caribbean sea during 1940 by an expedition of the Field Museum of Natural History.

More than 20,000 conventions, an all-time record, will be held in the United States and Canada in 1941.

Civil Service Examinations

Inspectors (General Construction) may file applications for the civil service examination now open for this position in the Pittsburgh, Pa., Engineer District, the United States Civil Service Commission announced today. Applicants must show familiarity with the use of surveying instruments, and must have had at least four years of experience in general construction work, exclusive of journeyman experience in only one of the recognized trades. This experience must have included at least one year as foreman, superintendent, or inspector of general construction work, including laying out, excavation, grading, concrete, and steel work. The completion of each year of a course in civil engineering in a college or university of recognized standing will be accepted in substitution for each year of the required general construction experience, provided that in the event of such substitution the one year of supervisory or inspection experience as above described must be shown. The wage rate for Inspectors (General Construction) in the Pittsburgh, Pa., Engineer District is \$1,890 a year. Applications may be filed with the Secretary, Board of U. S. Civil Service Examiners, Engineer Department at Large, 925 New Federal Building, Pittsburgh, Pennsylvania, or from the Secretary of the Board of U. S. Civil Service Examiners at first and second-class post offices in the vicinity of Pittsburgh.
